The Discordian Society is working hard to ensure that every man, woman and child on this planet understands that they are a Pope. This does not mean that they need to wear a little beanie-hat, though they certainly may if they wish. It simply means is that they can make their OWN rules and their OWN choices. No longer do they need to listen slack-jawed as others tell them what to do! YOU, yes, YOU can put a little rubber thing on your cock if you want to, and there isn't an Eris-damned thing that anyone else can say about it. YOU, yes, YOU can turn off your TV or smoke a joint or lick bicycle seats or have sex with Pez dispensers, and there isn't anything anyone can do about it. Except maybe put you in jail. But isn't it WORTH going to jail to *prove* just how free you are?
