

THE FIX FNORD FOUNDATION

Save Your Barcodes!

Dear Friend,

Campbell's SoupTM has offered to donate \$1 to the Fix Fnord Foundation for every barcode from one of their products we turn in. I am sure you already know about this terrible disease that effects millions of men women and children around the world. With Campbell's Soup'sTM help, we believe we can wipe out Fnord in this generation!

All we ask is that you collect the barcodes from all Campbell's Soup'sTM products and ask your friends to do the same. Once you have enough to fill a large envelope, please send it to one of the addresses listed at the bottom of this letter.

If you cannot for some reason participate in our drive to rid the world of Fnord, please give this letter to someone who has the time to help, or better yet, make lots of copies and distribute them around your neighborhood!

Anything you can do to help us fight this dibilitating disease would be greatly appreciated by us, Campbell's SoupTM, and most especially those poor, suffering people afflicted with Fnord.

Thank you for your time, and we hope to be hearing from you soon!
